The program is **free** and no advance signup is required; all parents and guardians of Splash students are welcome to attend. If you are able, we suggest a \$20 donation to help cover our expenses and continue to spread Splash across the country.

**The program will be located in building 420 in rooms 040 and 041.** The lounge will be outside. The program is being run by Learning Unlimited, a startup nonprofit organization founded by student alumni leaders of Splash programs everywhere. We are leading a movement of university students teaching pre-college students about everything and anything.

The Parents' Program runs from 10:00 AM to 5:30 PM both Saturday and Sunday. The program is held in rooms 040 and 041 of building 420 (Jordan). It is located near the main quad.
